**A WESTERN  
WILDFLOWER.**

By KATHARINE LEE.

"Nothing nicer and fresher, nothing more charming on the whole and more touching in parts, nothing that bears witness more clearly to a generous nature dictating what an observant eye has seen, what a sympathetic heart has felt, and what a graceful, facile pen is peculiarly fitted to express, has appeared for many a long day, in the way of simple, unaffected, but most interesting stories, than 'A Western Wildflower.' It is a plain, straightforward narrative, full of cleverness, sprightliness, geniality, and quiet humour, with a tone of cultivation and refinement and an agreeable modicum of love and romance. Eminently readable, inexpressibly refreshing."—*Illustrated London News*.

"The merits of the work are the writer's own, an easy style, a natural vein of humour, a considerable power of exhibiting character, and unusual aptitude for distinguishing and apportioning her dialogue."—*Saturday Review*.

"Nothing more charming than this simple story has appeared for a long time. The style is singularly easy, fluent, and buoyant, and the tone is as fresh and wholesome as a breeze from the sea. There is scarcely one unpleasant character, and there is not one bad piece of portraiture throughout the book. There is, moreover, a pervading influence of delicacy which tempers the vivacity and restrains the humour, abundant as it is, within limits which may satisfy the strictest precision."—*St. James's Gazette*.

"'A Western Wildflower' is a lively story, and in it also there is a good deal of quiet droolery. Is humorously clever. The characters are excellent."—*Times*.

**A FEARLESS LIFE.** By Charles  
QUENTIN, Author of "So Young, my Lord, and True."

**ROBIN.**

By Mrs. PARR,

Author of "Adam and Eve," "Dorothy Fox," &c.

**ALASNAM'S LADY.** By Leslie  
KEITH, Author of "Surrender," &c.

"The scene is laid for the most part in Spain. Several members of this community are hit off with no little humour and smartness. Mr. Keith's ability is most clearly proved in the conception and development of the leading characters of his story, and for these the reader will owe him a debt of recognition and praise."—*Athenæum*.

"An exceptionally good novel, the various characters are well drawn, the plot is cleverly put together, and special skill is shown in the dialogue. There is a brightness and delicacy of touch about the conversations which are very attractive. It is not often that it is a real pleasure to read a new novel from beginning to end, but we can honestly say that we have found it so in 'Alasnam's Lady.'"—*John Bull*.

"A new and very pleasant romance, full of talent, good feeling, and true description of modern life. The characters are remarkably well drawn."—*Morning Post*.

**DAISIES and BUTTERCUPS.** By  
Mrs. RIDDELL, Author of "The Mystery in Palace  
Gardens," &c.

"The characters are as true to nature as the speaking likenesses we meet with in old family galleries which we know and feel must be the almost living presentments of persons who have breathed and moved, and yet which impress us as effigies of folks out of the common. As studies of character the two men who live together so much, and who hate and despise each other so thoroughly, are most admirable. We doubt if the gifted author has written a book which evinces a greater knowledge of human nature, or one which is fuller of shrewd wit, than this tale."—*Standard*.

"... Altogether the work may be recommended as one of great interest, perfectly true to human nature, and enlivened with frequent touches of a quiet humour."—*Daily Telegraph*.

## The Cambridge Bible for Schools.

GENERAL EDITOR: J. J. S. PEROWNE, D.D., DEAN OF PETERBOROUGH.

"The modesty of the general title of this series has, we believe, led many to misunderstand its character and underrate its value. The books are well suited for study in the upper forms of our best schools, but not the less are they adapted to the wants of all Bible students who are not specialists. We doubt, indeed, whether any of the numerous popular commentaries recently issued in this country will be found more serviceable for general use."—*Academy*.
